

To our Customers and Business Partners

**REACH - Regulation (EC) No. 1907/2006**

Dear Ladies and Gentlemen,

On 1 June 2007, Regulation (EC) No. 1907/2006 for the Registration, Evaluation, Authorisation and Restriction of Chemicals came into effect (REACH Regulation).

FAULHABER Drive Systems is not a manufacturer or importer of chemical materials or preparations that require registration. Within the spirit of the regulation, it is instead a downstream user. As such, we conduct the necessary communication in the supply chain.

If you require detailed information, please contact your FAULHABER sales representative.

The basis is the current edition of the SVHC candidate list:

Kind regards,

**FAULHABER Drive Systems**
